

Aevi Partner Sales Kit

Everything you need to position Aevi to merchants, ISVs, and acquirers.

What is inside

- Aevi 60-second pitch and elevator script
- Top 10 discovery questions for in-person payments
- Objection handling for orchestration, certification, and TCO
- Partner revenue model and commercial frameworks
- Reference architecture diagrams (Android & SoftPOS)
- Customer proof points and case study summaries

How to use this kit

Use these assets in partner meetings, RFPs, and merchant pitches. All content is co-branded ready and approved for external sharing.

Need more support?

Reach out to your Aevi partner manager or visit Aevi Academy for the latest enablement modules and certification.
